Dear John:

Thank you for your very generous support of the LI2DAY Walk and all our initiatives including the Hope Runs Here 5K and Half Marathon. Thanks to friends like you, the LI2Day Walk is able to donate 100% of the money raised by our participants back to the Long Island breast and other cancer communities.

Our full beneficiaries this year include 14 local grassroots breast cancer organizations across Long Island; the breast cancer research program at Cold Spring Harbor Laboratory; scholarships to 6 high school seniors whose lives have been impacted by breast cancer; scholarships to 2 high school students whose lives have been impacted by any cancer; and 3 special grant recipient organizations including Camp Hope, established for children who have lost a close relative to cancer.

In our 12 year history, the LI2Day Walk has raised over 6 million dollars, ALL of which has stayed here on Long Island to help our families, friends, and neighbors.

Thanks again for your support, and we look forward to working with you for our 13th Annual Walk and HRH Half Marathon in June and HRH 5K in August 2016!

Best regards,

Ginny Salerno
