Dear J Kings Food Service Professionals Inc:

Thank you for your monetary donation to the 2015 Toys for Tots campaign. Our 2015 Campaign was our 14th year, and again, a very successful one, thanks to your generous donation. This program is very important to Bertucci's, as it is a way for us to join together with our employees, vendors, corporate partners and customers to collectively work towards a worthwhile cause.

The Toys for Tots program, not only provides toys to needy children around the holiday, the aspect most people are familiar with, but it also supports literacy programs in communities where children can take advantage of the long-term benefits of such programs. Toys for Tots consistently receives one of the highest rating levels on Charity Navigator, due in part, to the integrity and effective management of the program, by meeting all 20 Standards for Charity through the Better Business Bureau.

This year we were able to raise a collective just over \$19,000 in monetary donations. These donations are used to purchase gifts at Target (who also makes a donation to the cause), through the efforts of volunteers, to be sent directly to Toys for Tots. In addition to these monetary donations, Bertucci's also collects unwrapped toys at the Corporate Office, as well as, all of our restaurants. Once again, we sent several truckloads of toys to Toys for Tots gathered just from staff and customer donations. We estimate each location had \$500 worth of toys donated for a total of \$44,500 in toy donations.

Through both of these efforts we were able to make a substantial donation of toys. I'm certain many children woke on Christmas morning with smiles on their faces due to your generous donation. I want to personally thank you for supporting such a wonder charity that does so much good for so many. I look forward to next year with great anticipation for another successful campaign, even bigger than this year.

Thank you again!
OO-RAH!

Sincerely,
