**FOUNDATION
BOARD**

Dear John King,

Brian Stone
President

On behalf of AHRC Suffolk, thank you for your generous sponsorship of bananas for our Annual Run for a Reason 5K. The event was a great success! Your support allows us to continue helping individuals with intellectual and other developmental disabilities lead fulfilling lives.

Mark Senders
Vice President

Marc Blitstein
Secretary-Treasurer

Our 5K was held on Saturday, May 6, at Smith Point Park with more than 100 friends, families, and business partners in attendance. Thanks to our new location this was our best 5K to date! The funds raised from this event will go towards enhancing and creating new programs and services, facility improvements, and support for our school, the Saul and Elaine Seiff Educare Center.
